Chiron Frameworks LLC

CAPABILITY STATEMENT

SBA-CERTIFIED SDVOSB & VOSB
DENVER, COLORADO

Public health program management, strategic development, and Lean Six Sigma process optimization — delivered with audit-ready discipline for federal agencies, state partners, and prime contractors.

COMPANY OVERVIEW

Chiron Frameworks LLC is a Service-Disabled Veteran-Owned Small Business led by an Army combat veteran with public health experience at every tier — federal–state coordination with CDC, nine-county health equity delivery, and national program oversight. We turn grant requirements into executable, audit-ready programs.

CORE COMPETENCIES

Health Equity & Public Health Grant Administration

- Multi-county grant coordination & reporting (SF-425)
- CHIP development and PACE-EH integration
- Disparity data stratification using state and federal data reporting sites

Strategic Development & Public Health Program Planning

- Strategic planning and community health assessment
- SDOH priority-setting, workplans, and budget/FTE planning
- Performance measures, milestones & reporting frameworks

Lean Six Sigma (DMAIC) Process Optimization

- Bottleneck elimination and value-stream mapping
- Grant deliverable tracking & milestone management
- QI frameworks, SOPs & compliance tracking systems

Technical & Management Consulting

- Organizational strategy & operations assessment
- Change management & workforce enablement
- Proposal, PWS & SOW technical support

CREDENTIALS
Lean Six Sigma Green Belt
Florida Regional Health Equity Consultant

PAST PERFORMANCE & EXPERIENCE

01 · FEDERAL–STATE

Inter-Agency Liaison

Liaison between Florida DOH and CDC — reporting flows, mandate alignment, and multi-tier compliance tracking.

02 · REGIONAL

Nine-County Health Equity

Health Equity Plans and grant workflows across nine Florida counties: CHIP, PACE-EH, and state and federal data reporting sites.

03 · NATIONAL

Program Oversight

Directs grant deliverables, SOW revisions, and reporting timelines for a national health organization.
